2018

From the President's Corner,

Hello Meadowcreek residents, I hope all of you and your families have weathered the cold spell. Most of my drought and heat resistant plants are "graveyard" dead. But there's always a plant nursery nearby and we can give the locals our business, including the civic club which will most likely replace the dead vegetation around the entry way signs to the neighborhood. The civic club membership dues for those of you who contributed will help replace the plants and to help keep our neighborhood looking nice. The club is currently assessing some projects and suggestions from residents. We encourage and invite anyone to attend our board meetings. Recently we had a resident attend and his idea was to install a dog park in this area. The board members made suggestions. We'll keep you posted of the outcome.

For those of you on Facebook you may have wondered why there are 2 Facebook pages. We decided that more civic club business type information would be beneficial to the government representatives and residents who want to stay up with the club activities hence the "Meadowcreek Village Civic Club" Facebook site was born. The first Facebook site was created by one of our residents. This site is maintained by this individual and the information here is mostly day-to-day events and happenings, and discussions of current topics of interest to those in the neighborhood.

I wish all of you a good 2018. Stay warm and dry and I plan to do so while I pedal throughout the roads of Harris and Galveston counties.

Suzanne Riggenschach

Suzanne Riggenschach - President, MVCC

Vote in the March 6th Primary

Voting may be frustrating. Don't voters give up. This year new voter identification laws are in effect. Have your voter registration and your proper identification with you. Click here: <https://www.votetexas.gov/register-to-vote/need-id.html> Go to the proper polling location. Most of our neighborhood votes in Precinct 221.

Volunteer Opportunities

There are over 1200 houses in Meadowcreek Village. The houses have owners and renters living in them. The organization that supports Meadowcreek Village is the **Meadowcreek Village Civic Club**, which could use every ones help. One way to help MVCC involves beautification. We of course need your money to replace weather damaged community gardens around the entrance signs. There are five entrance signs with gardens to maintain. The simplest way to contribute is at this address: www.meadowcreekvillage.org. Another way is to volunteer your valuable expertise, effort and time. Come meet us February 8th or email m.clemmons@meadowcreekvillage.org.

The MVCC Beautification Committee wants to honor two front gardens each month with a YARD OF THE MONTH (YOM) sign. We will be looking for selection throughout 2018 beginning in March and ending in September. The signs will be placed beginning in April and ending in October. In the past MVCC has presented garden center gift cards and MVCC T-shirts. Please ready your front gardens for the spring!

Recycling

Regular Recycling collection has resumed. Please remember no glass is being accepted at this time. The next recycling dates for Schedule B are February 5th, 12th and 26th. Recycling is every other Monday. You can download the free Rollout! App from the Apple and Google stores and look it up on your phone.
